

SB 117 Montana Coordination Act
(S) Local Government Committee
Monday, January 17, 2011
3:00pm – Rm. 405
Concerned Citizens Montana ~ concernedcitizensmontana.net

Senator Sonju and Members of the Committee

For the record I'm Rachel Roberts and I represent Concerned Citizens Montana. Our non-partisan organization supports citizen involvement in promoting responsible and innovative energy solutions that include protection of private property rights and the human environment. Concerned Citizens Montana seeks to maintain Montana's unique and important lifestyle by empowering local governments and the citizens they serve to have a voice in the decision making process. Therefore, we support SB 117. Thank You
